Privacy Policy

MVZ Labor Krone GmbH, Siemensstrasse 40, 32105 Bad Salzuflen is responsible for the data processing and is GDPR-compliant. You can contact our data protection officer at datenschutz@laborkrone.de. The legal bases for processing your data due to GDPR are the fulfillment of contracts, safeguarding of legitimate interests, your consent and the fulfillment of legal obligations. Data processing takes place in order to complete the requested laboratory analyzes. Personal data such as name, date of birth, gender, address, health insurance data, billing type, possibly bank details, anamnestic data, [suspected] diagnosis, and the parameters to be examined, are processed. We receive your data via the laboratory request form sent by the doctor/clinic/laboratory, which contains the relevant information. Legal retention periods [a minimum of 10 years] determine the length of storage of your data. If you would like to exercise your right to information/deletion/correction/objection/restriction of data processing, please contact us [datenschutz@laborkrone.de]. You may revoke your consent at any time. This will have a future effect on processing. You also have the right to lodge a complaint with a supervisory authority. For all details on data processing, your rights and obligations, please refer to the detailed data privacy policy on our website: <https://www.laborkrone.de/en/privacy-policy/>
